

Author: **adrians**

This is a tour of the great London bridges, from new to old, to those long gone and what's left!

**1. Arizona's Piece Of London, *London Bridge***

London Bridge - demolished and resurrected in the USA.

Notes:

**2. London Bridge, *London Bridge, Southwark, London***

The oldest and infamous bridge in London.

Notes:

**3. London Bridge Alcoves, *Approach Road, Victoria Park, Hackney Wick***

These 2 alcoves are from the London Bridge demolished in 1831

Notes:

**4. Westminster Bridge, *Westminster and South Bank***

Westminster Bridge is the oldest bridge in use in London.

Notes:

**5. Tower Bridge, *Tower Bridge Road, Southwark***

One of London's most iconic bridges.

Notes:

**6. London's First Bridge, *River Thames, Vauxhall***

This is the location of probably the first Thames bridge.

Notes:
